**Former manager of dancehall artiste Shatta Wale has finally broken his silence.**

He broke his silence three days after his artiste made some wild allegations concerning him(Bulldog). Allegations that have brought in the Ghana's police Criminal Investigative Department.

In a post on his Facebook page, he posted a comment that can be said to be a sarcastic one. A comment that is simple yet deep and it sums up all that he has to say concerning the latest development from his camp.

His post read;

*When we are young we dream, when we grow we achieve, when we are old we share. #sikanhyira*

Bullhaus Entertainment last week, officially announced the end of the working relationship with the maverick entertainer.
